Kashara's back! Visit with her each week as she presents new videos on cool things you can learn, make, and do. We'll have supplies here at the Library on the Tuesday following her Monday production. Just come by and pick them up.

Want to win a great prize? Fill out an evaluation, and wait for your name to be drawn. We have paper evaluations at the Library, or you can use this link

to file yours electronically. Take a screen shot of the evaluation on your phone and show it to me. I'll put your name in the drawing myself. Turn one in for each program you watch, and you could be the winner!
